Respected Sir / Madam,

Thanks a lot for attending the PTA meet. I am writing this letter to put forth my views, for your purview. Please go through them and **POSITIVELY** reply back. This is important to us.

1. Are you getting regular updates of your child from our office? We send this on a regular basis. If you don't get it, please update your information personally in our office.
2. Attendance is important. Please do not detain your child at home for any family functions unless they are personally involved. It means more to be a doctor than to keep attending those. Moreover, it is the patients who suffer, which is not acceptable.
3. My request is for the student to be stay within close vicinity of the college as long travel will sap their strength and eat away their time.
4. We have made it our policy for the students to work in the lab and library after 3:00 pm. So please accommodate for this and encourage your child.

Thanking you,

Yours sincerely,

Dr.A.S.Ramesh.

*Dear parents  
Kindly Consider the above said Matter in a  
Constructive manner and give your reply to us  
by postal/mail/in person on or before 20/04/2016  
2:30 pm. As a part of well being of your ward  
Please report it as the earliest to the Head  
of the department without fail, otherwise it will be  
viewed seriously.*
